30 April 1962

MEMORANDUM FOR: Assistant Director, Central Reference

SUBJECT : Self-Training Aid for the Intelligence  
Subject Code

25X1 1. As instructed, I contacted Mr. [ ] of OTR and  
arranged for him to review the ISC training syllabus with Mrs. [ ],  
our Training Officer, in company with Mrs. [ ] 25X1

25X1 2. Mr. [ ] thought the first two days of the teaching pro-  
gram could be worked into programmed instruction and could be self  
taught in one day. As you know, the entire ISC course of instruction  
takes four weeks. We feel that this programmed instruction might  
become part of a manual to be distributed with the ISC for use  
especially in the field where instruction is not available.

25X1 3. Mr. [ ] said, that if we were interested, OTR  
would arrange for an outside contractor for an estimated \$6-8,000  
to compile the program and that OTR might be able to supply the  
funds. The contractor would require the services of Mrs. [ ] 25X1  
two weeks spread over 12 weeks to assist in the programming.

4. I recommend we tell Mr. [ ] we are very much interested  
in obtaining such a "self-teaching" aid for the basic ISC and recommend  
he begin negotiations with the outside contractor. 25X1

[ ]  
Chief, Document Division 25X1

cc: Chief, Analysis Branch
